

Specialized Events Sponsorship Opportunities

OMA provides Electric Utility Operational Training covering a wide variety of topics. They regularly attract Public Power professionals from municipal utilities across the State of Oklahoma and neighboring states.

OMA Associate Members now have the opportunity to interact with training attendees as a "LUNCH SPONSOR."

It's simple, we schedule and build the events and offer networking sponsorships opportunities during lunch.

All  Electric Utility Operational Training is sponsored by:

Electric Utility Operational Training Sponsorship Opportunities

Here is how it works:

- All sponsorships will be accepted on a first paid, first served basis.
- OMA will make all lunch arrangements.
- Sponsorship includes: lunch with event participants & instructors; opportunity to pass out literature; and an opportunity introduce yourself at the end of the lunch break and speak for 5 minutes.
- Sponsors will receive recognition at the event and on the OMA Facebook page.
- For multiple-day events, sponsorships will be made available for each day.

2020 Schedule/Estimated Audience (subject to change):

Date	Training Session Topic (Location)	Expected Attendance	Cost
January 29	Apprentice Basics (Edmond)	30	\$300
